Re: McHale v. Silicon Valley Law Group  
Action No.: CV 10-04864 JCS

Dear Judge Spero:

We write this letter jointly on behalf of the Trustee and Silicon Valley Law Group. We are pleased to advise that the parties have reached an agreement in principle to resolve all phases of this matter on a confidential basis. Agreements to consummate the settlement are now being drafted, and we anticipate that after those documents are executed, a stipulated judgment will be submitted to the Court in the near future.

We are attempting to have settlement documents executed by the end of this month. Accordingly, we request that the Court grant one more 15 day extension for submitting a proposed schedule for post-trial motions to allow time for execution of the settlement documents and submission to the Court of pleadings that will close this case in the United States District Court.

On behalf of both parties, we thank the Court for its work and guidance throughout the Case.

Dated: 11/18/13

Respectfully submitted,

LERCH STURMER LLP
